

**4th International Congress on
Invertebrate Morphology
18 - 23 August 2017
Moscow, Russia**

Dear Colleagues,

On behalf of the International Society for Invertebrate Morphology and local organizing committee we are pleased to invite you to the 4th International Congress on Invertebrate Morphology (ICIM4) to be held from 18 - 23 August 2017 in Moscow, Russia.

The congress will be hosted by Lomonosov Moscow State University which is a perfect venue for the scientific society to gather, discuss and share ideas. Biological department building located directly in the MSU campus will open its gates to students and professors from all over the world.

Please have a look at the following deadlines:

Call for Symposia: April 10, 2016 - September 15, 2016

Early registration: October 1, 2016 - April 30, 2017

Abstract submission: January 15, 2017 - April 30, 2017

You will find information on Scientific and Local Organizing Committees, as well as details on accommodation and Moscow tourist attractions at our official Website: www.icim4.com

We are looking forward to seeing you all in Moscow,

Natalia M. Biserova, ISIM President-elect

Elena N. Temereva, Chair of the Local Organizing Committee

For further information on the conference, please contact us
icim4.org@gmail.com or through the Website: www.icim4.com

Please feel free to share this letter with your students and colleagues who might be interested
